■ The Tourist Office shop in La Londe les Maures

A real showcase of the region, our shop gives you the chance to bring back a little piece of our Var coast.

Discover our range of products, and if you need any advice, we're here for you.

We've got something for everyone!

If you're a hiking or cycling enthusiasts, you'll be able to find THE guidebook or IGN map to help you discover our beautiful trails. Whether you're with the family, on your own or on a bike, whether you're a sportsman or an amateur... you're sure to find what you're looking for!

For those who love handcraft, you'll find local creations such as safran grown in Cuers, teas and infusions from Bormes les Mimosas, ceramics made in La Londe les Maures and Collobrières...

For reading and culture lovers, our bookshop offers books on the history of our region, our heritage... and even a card game to test your knowledge of the Var.

Finally, you can choose from all our souvenir accessories to find the one that's just right for you: magnets, postcards, key rings, pens, mugs, TOUKY cuddly toys... and of course, all on sale exclusively at the Tourist Office !

The little advantages of our shop:

- Advice to help you make your choice
- Gift-wrapping services
- All with a smile !

■ Our commitments

Ethical product: A product that has less impact on the environment throughout its life cycle, i.e. from the extraction of its raw materials to its design, transport, use and recycling.

“Fabriqué en France” is a label affixed to manufactured products to inform consumers about the place of manufacture, France.

A product featuring visuals created by local illustrator Monsieur Z, aka Richard Zielenkiewicz. Internationally renowned for his pure, inviting posters, he has taken part in numerous projects for magazines such as Vogue Japan and created the animated series ‘Ratz’! The Monsieur Z Collection, produced exclusively for our tourist office, comprises a series of 7 colourful visuals representing our region and available on a range of objects.
